SUMMARY

MCA student with core knowledge of software development and experience working on web-based projects. Looking to begin a career in IT and continuously improve technical and professional skills.

EDUCATION

Degree	Institute	Result	Year
Master of Computer Applications (MCA)	Medi-Caps University, Indore	7.47 / 10	2024–2026
Bachelor of Computer Applications (BCA)	Holkar Science College, Indore (DAVV)	6.98 / 10	2021–2024

SKILLS

Professional Skills	Technical Skills
- Willingness to learn - Team collaboration - Time management - Adaptability - Communication - Leadership - Problem Solving	Languages: Python, C Web: HTML, CSS, JavaScript Databases: SQL Core CS: OOP's, DSA (learning) Tools: GitHub, VS Code, Git AI: Generative AI, Agentic AI Others: DevOps

PROJECTS

- Traffic Density Detection** – Ongoing Development
Developed a real-time traffic density detection system using YOLOv8. Optimized inference to achieve near real-time performance (15 FPS) with 81% accuracy.
Tools & Tech: Python, OpenCV, YOLOv8.
GitHub: github.com/haripatidar2804/Smart-Traffic-Density-Detection
- Next Blog - Role-Based Blogging Platform** – 2025
Built a blogging platform with user login, roles (Admin, Editor, User), post creation/editing, and an admin dashboard. Added authentication, access control, pagination, dark/light mode, and basic analytics.
GitHub: github.com/haripatidar2804/Blogging-Platform
- Weather Dashboard** – 2023
Created a real-time weather dashboard that fetches live weather data based on user location. Displayed temperature, humidity, wind speed, and 5-day forecasts with a clean and interactive UI.
Tools & Tech: HTML, CSS, JavaScript, OpenWeather API.
GitHub: github.com/haripatidar2804/Weather-Dashboard

CERTIFICATIONS

- DevOps Foundation - IBM
- Python Essential 1 — Cisco Networking Academy
- Generative AI- IBM
- Introduction to Modern AI — Cisco
- Agentic AI - IBM
- Software Testing Fundamentals — Great Learning

Achievements

- Winner, College-level Aptitude Competition
- College-level Business Idea Presentation

Extracurricular

- Reading and self-learning
- Indoor and outdoor games

Co-curricular Activities

- Participated in technical workshops and seminars
- Active involvement in academic and project-based activities

Volunteer Experience

- Participated in tree plantation and cleanliness drives
- Volunteered in college-level events and activities

LANGUAGES

- English
- Hindi
